Joint Powers Authority Agenda**

**STAFF REPORT**

**To:** ESCOG Joint Powers Authority  
**From:** Grace Chuchla, ESCOG Counsel  
**Subject:** Consideration of a resolution regarding virtual meetings for the protection of public health pursuant to AB 361  
**Meeting date:** January 7, 2022  
**Prepared on:** December 30, 2021  
**Attachments:** A) Resolution of the Board of Directors of the Eastern Sierra Council of Governments Regarding the Need for Continued Virtual Meetings to Protect Public Health

---

**BACKGROUND/HISTORY:**

Since March 2020, legislative bodies in California have been permitted to meet virtually without following certain requirements of the Brown Act due to an executive order from Governor Newsom. That executive order expires on September 30, 2021, and in its place, the Governor has signed AB 361, which modifies the Brown Act in a manner to permit continued virtual meetings in certain circumstances.

During the regular meeting held December 10, 2021, the ESCOG Board made certain findings by resolution that:

1. The Board has considered the circumstances of the state of emergency related to COVID-19 and declared by Governor Newsom.
2. The Board finds that the above-mentioned state of emergency directly impacts the ability of ESCOG to meet safely in person because in person meetings, particularly with the public present, increase the likelihood that COVID-19 will be transmitted throughout the community.
3. Local officials—specifically the Health Officers of Inyo and Mono Counties—continue to recommend measures to promote social distancing.

The Board agreed to meet at least every 30 days to make findings to continue virtual meetings as appropriate.

**BUDGET IMPACTS:**

None.

**LEGAL REVIEW:**

ESCOG Counsel Grace Chuchla has reviewed this item and found that it complies with the law.

**RECOMMENDATION:**

Staff recommends that the Board adopt a resolution regarding virtual meetings for the protection of public health pursuant to AB 361.

**RESOLUTION NO. 2022-\_\_\_\_\_**

**A RESOLUTION OF THE BOARD OF DIRECTORS  
OF THE EASTERN SIERRA COUNCIL OF GOVERNMENTS  
REGARDING THE NEED FOR CONTINUED VIRTUAL MEETINGS TO  
PROTECT PUBLIC HEALTH**

**WHEREAS**, the COVID-19 pandemic continues to threaten the health and safety of communities within ESCOG’s jurisdiction since its inception in March 2020; and

**WHEREAS**, Governor Newsom has declared a state of emergency related to the COVID-19 pandemic; and

**WHEREAS**, the Health Officers for Inyo and Mono Counties have recommended social distancing and continued virtual meetings as a means to limit the spread of COVID-19, particularly the highly contagious Delta variant. These recommendations are attached hereto as Exhibit A.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of ESCOG that

1. The Board has considered the circumstances of the state of emergency related to COVID-19 and declared by Governor Newsom.
2. The Board finds that the above-mentioned state of emergency directly impacts the ability of ESCOG to meet safely in person because in person meetings, particularly with the public present, increase the likelihood that COVID-19 will be transmitted throughout the community.
3. Local officials—specifically the Health Officers of Inyo and Mono Counties—continue to recommend measures to promote social distancing.

Re: Recommendation regarding Social Distancing and Virtual Meetings

Both Mono County “covering” Health Officer Dr. Rick Johnson and I strongly recommend that physical/social distancing measures continue to be practiced throughout our Mono County communities, including at meetings of the Board of Supervisors and other County-related legislative bodies subject to the Brown Act, to minimize the spread of COVID-19.

Whether vaccinated or not, positive individuals are contracting the Delta variant and infecting others in our communities. Social distancing and masking are crucial mitigation measure to prevent the disease’s spread. Virtual board meetings allow for the participation of the community, county staff, presenters, and board members in a safe environment, with no risk of contagion. It is recommended that legislative bodies in Mono County implement fully-remote meetings to the extent possible.

If you have any questions regarding this recommendation, please do not hesitate to contact me. We will continue to evaluate this recommendation on an ongoing basis and will communicate when there is no longer such a recommendation with respect to meetings for public bodies.

To: Inyo County Local Agency Governing Bodies

From: Dr. James Richardson, Inyo County Public Health Officer

Re: Continued Recommendation Re Social Distancing and Remote Meetings

In order to help minimize the spread of COVID-19, I recommend that physical/social distancing measures continue to be practiced throughout our Inyo County communities, including at public meetings of the Board of Supervisors and other public agencies. Individuals continue to contract COVID-19 and spread the infection throughout our communities. Social distancing, masking, and vaccination are crucial mitigation measures to prevent the disease's spread. Remote public agency meetings allow for the participation of the community, agency staff, presenters, and board members in a safe environment, with no risk of contagion. As such, and since this disease negatively and directly impacts the ability of public agencies to conduct public meetings safely in person, it is my recommendation that local public agencies conduct their public meetings remotely.

This recommendation will remain in place until further notice.

Dr. James A. Richardson  
Inyo County Health Officer
