Subject Agency Engagement and Board/Council Presentations

Recommendation

Discuss content and timing of presentations on progress and initiatives of IMBC for each of the ESCOG participating agencies.

Discussion

During the September IMBC Advisory Council Meeting it was decided that formal presentations should be made to the complete elected Boards/Councils for Inyo County, Mono County, the City of Bishop, and Town of Mammoth Lakes.

Further discussion ensued at the October meeting regarding the rough content which should be included in the presentations. Based on this feedback, Jessica Kennedy developed a rough slide deck consisting of basic information about the Consortium and our key work initiatives. Additionally, it was determined that these presentations should be expanded to include several of the Tribal Councils, and perhaps other NGO type organizations such as Chambers of Commerce, Lyons and Rotary Clubs, etc.

This item is intended to review the content of this slide deck, and provide direction as to next steps.

Subject March 6, 2018 California Advanced Services Fund (CASF) Consortia Summit

Recommendation

Discuss and consider sending up to five representatives to the March 6, 2018 CASF Consortia Summit in San Francisco.

Discussion

This is to inform the Council that the CASF will be hosting a Consortia Summit on March, 6 2018 in San Francisco.

The Summit rules allow for up to 5 representatives to be reimbursed up to \$2,000. This means that the maximum allowance for 5 people is \$10,000. If you wish to have more members of your group attend the summit we will need to let the CASF know as soon as possible. Unfortunately, the rules state that only 5 representatives are allowed to claim reimbursement.

Food costs, lodging, and travel reimbursements are dictated through CASF.

An agenda for the summit should be available this week.

Fiscal Impact

None. Reimbursement through CASF is available. See discussion above.
